

GIANPAOLO MAZZOLI

CONDUCTOR

CROSSOVER, BALLET & SPECIAL PROJECTS

Rock · dance · film music · staged orchestral projects

A CONDUCTOR ACROSS GENRES

Orchestra as a meeting point between concert music, dance, rock and moving image.

Alongside opera and symphonic repertoire, GianPaolo Mazzoli has developed a series of projects in which the orchestra interacts with dance, rock, narration and film. These selected productions highlight a flexible conducting profile, equally at ease in the theatre, the concert hall and hybrid formats.
